ACCOMPLISHMENTS

Special Effects

Cinema Makeup School is dedicated to educating the next generation of makeup artists for the film, television, fashion and entertainment industries.

They aim to provide students with all of the skills needed to succeed as makeup artists and to give them a solid foundation for any job they seek.

In addition to makeup techniques, CMS students are taught professionalism, ethics, business, and history. Graduates of our school have a world of opportunity before them, and we strive to help our students reach their maximum potentials.

- Collaborated with team of 3 in the development of a monster makeup, sponsored by Cinema makeup School for Wondercon .
