EXPERIENCE

January 2022- February 2022

OCCC's Grip & Electric Intensive- *Apprentice Electrician and Grip*

- Completed a 200 hour course taught by Steve Mathis and Jon Shryock.
- Learned various terminology and practical applications for film lighting and rigging equipment, tools of the trade, and industry standards and practices.
- Collaborated with fellow students to achieve multiple set lighting and rigging objectives with special emphasis on teamwork, communication, and safety.

March 2022 - June 2022

QSR Productions- *Senior Stagehand*

- Communicated directly with event management to set up desired lighting looks for, corporate events, trade shows, and theatrical productions.
- Facilitated load in and load out of lighting equipment to indoor/outdoor live events.
- Assisted in assembly/disassembly and cable run management of lighting rigs for large scale arena events.

January 2018 - December 2018

University of Arkansas Fort Smith- *Theater Shop Worker*

- Performed robust physical labor to rig elaborate stage sets.
- Worked closely with directors and designers to assess production needs.
- Led and coordinated a team of stagehands to assemble sets on a tight schedule while prioritizing safety and quality.
