EXPERIENCE

Audio Assistant | Impact Productions | 08/05/2022-08/10/2022

I was in charge of the audio equipment as we worked on a show called Centuries Collide. In the morning I was check the call sheet for the day and see what actors needed a microphone and when they needed to be mic'd. At the end of the work day it was my job to make sure all the recording equipment had been checked back in.

Locations PA | Impact Productions | 07/05/2022 – 08/01/2022

I was in charge of arriving on set an hour before the call time to ensure that parking was available for our talent and crew. My responsibilities allow included shuttling talent to and from locations, setting up tents for shade, making sure people had water, and overall being an assistant towards anyone that was on set. The name of the project was called The Story Behind the Story with Mike Rowe.

Bartender | Eskimo Joes | 08/16/2019- 05/20/2022

On a daily basis, I serve over 200 guests. I am capable of creating cocktails, mixing drinks, and serving food. I have developed fantastic communication skills while serving such a diverse group of bar patrons.

VOLUNTEER EXPERIENCE OR LEADERSHIP

Over 40 hours of volunteer work at Humane Society, located in Stillwater.

I've performed standup comedy for over a year now. I've performed at two separate bars and have a following on YouTube.

Spec script writing and screen writing is my passion. I practice my writing on a daily basis and have my own work.

Freelance photographer, I've taken landscape photos and head shots for actors. I also have an Instagram page with all my work. Along with photography, I have also modeled for commercials and ads for Eskimo Joes.

Cameraman | One on One | 08/06/2019- 12/20/2019

One on One was an internet sports broadcasting show where we discussed the hottest news in sports. I was camera operator or grip number one. I was in charge of setting up cameras and operating the cameras.

Welder | Evan's Welding | 05/14/2018- 08/06/2018

I used my hard work ethic to compete in a demanding workplace. I drove a forklift, operated heavy machinery, counted stock and took stock of the resources we had on site.
