Experience

Scum/ Director of Photography

Worked closely with the director and the camera team before, during and after production to produce the look and feel of the visuals for the short.

Standoffish/ 1st Assistant Director

Worked closely with the director and director of photography to create storyboards, created shooting schedules for cast and crew, and handled problems and questions on set whenever they came up to alleviate pressure from the director.

In Bloom/ 1st AC/Camera Operator

Worked directly with the Director of photography and 2nd AC to assist with camera operation and maintenance. Switched lenses, cleaned lenses, operated camera, reconfigured camera settings, and helped execute shots.

Old Horses/ 1st AC

Primarily worked with the Tilta Nucleus follow focus during production to ensure focus was kept sharp on every roll. Also assisted with camera movements and maintenance, company moves, and camera equipment management.

University of Oklahoma 2024 Graduation Commencement Video/ Director of Photography/Camera Operator

Developed and executed shots that can now be seen in OU's 2024 commencement video. Operated cameras, shot on multiple locations around the OU campus, and interacted with many students and faculty in order to plan and create a narrative with images.
