## EMPLOYMENT EXPERIENCE

### MY CAREER PATH

- Workflow Analyst (Promotion), American Fidelity - June 2015 to July 2023
- Image Tech, American Fidelity - Sept 2013 to June 2015
- Videographer/Graphic Art/Sound Designer - October 2008 to Sept 2013
- Owner/Operator, K&K Enterprises (Restaurant) - March 2002 to Oct 2008

### CREATIVE DESIGN

As a versatile and skilled creative designer, I've have collaborated with a wide range of professionals from various creative fields. My work involves transforming visions into stunning visual and multimedia experiences. I excel in interpreting ideas, creating compelling visuals that resonate with the audience, and enhancing the overall impact of projects. My keen eye for design, along with a deep appreciation for the nuances of color, layout, typography, and the latest industry trends, allow me to provide a valuable contribution to these creative endeavors. With an open-minded and collaborative approach, I have consistently taken constructive feedback in stride, fostering a harmonious working environment. My ability to manage time efficiently, multitask, and maintain an unwavering attention to detail ensures that the final product not only meets but often exceeds expectations. In addition, I take a proactive approach to problem-solving, anticipating obstacles and effectively communicating solutions. My work as a creative designer in the realm of graphic art, video editing, and sound design has consistently demonstrated my commitment to excellence and my passion for bringing imagination to life through the power of visuals and multimedia.

### CREATIVE SUPPORT SKILLS

### CLIENT SERVICES

Over 20 years in client services of various levels delivering exceptional customer experiences. Proficient in understanding clients' needs and providing tailored solutions to meet their objectives. Dedicated product, service and brand seller. Displayed excellent communication skills to build strong, lasting relationships with clients. Demonstrated expertise in problem-solving and conflict resolution, ensuring client satisfaction and retention. Adept at managing multiple client initiatives simultaneously, delivering consistent results and fostering a positive client service environment.

### PROBLEM SOLVING

20 years as a problem solver with a proven track record of effectively identifying and analyzing complex issues. Utilized a systematic and analytical approach to devise innovative solutions that drive efficiency and enhance productivity. Adapted swiftly to new challenges, demonstrating critical thinking and troubleshooting skills in various dynamic environments. Strong ability to collaborate with cross-functional teams, fostering cooperative problem-solving strategies. Exceptional attention to detail and perseverance in resolving obstacles to achieve optimal outcomes.

### PROGRAM ADMINISTRATION AND SUPPORT

10 years as a dedicated professional program administrator and process manager. Demonstrated expertise in optimizing workflows, streamlining operations, and ensuring seamless integration of process automation solutions. Served as program knowledge expert while exhibiting proficient adherence to business requirements, designing effective solution strategies, and overseeing successful process implementations.

## ABOUT ME

Versatile creative designer with a strong foundation in design principles and a keen eye for color, layout, typography, and industry trends. Seeking a role where I can leverage my skills to develop innovative design solutions.

## MY BIGGEST ASSET

I have a strong ability to visualize processes and concepts at their individual stages to better understand the task at hand. This provides me the leverage to assess user requirements effectively, create preliminary models, and execute solutions that enhance efficiency while fostering knowledge-sharing environments.
