EXPERIENCE

Rise & Shine (Releasing Soon) — *Extra Cast*

Kansas City, MO | May 2024

I worked as an extra for this feature film. I played the role of a high school student attending the school, where the main plot of the film takes place.

Super Happy Fun Clown (2025) — *Production Assistant*

Liberty, MO | January 2024

I worked as a production assistant on this feature film. I primarily assisted the lighting and grip department. I set up various lighting rigs and ensured that equipment was moved to proper areas.

Sasporumpet (2024) — *Production Assistant*

Topeka, KS | June 2023

I worked as a production assistant on this short film. I helped various departments throughout the shoot to ensure everything ran smoothly.

EDUCATION

University of Kansas — *Bachelor of General Studies*

Class of 2023

I studied Film & Media Studies at the University of Kansas, with a focus on Film Production. I did a minor in Geography, with a focus on Latin American and Indigenous cultural geography. I did a second minor in Philosophy that spanned many different areas of interest.

RECENT PERSONAL PROJECTS

The Blue Cup (2023) — *Short Film Animation*

This is a recent project that I wrote, animated, and edited. It is a stop-motion animation that is based on one of my most prominent childhood memories.

You may view the project here:
