8918 E 60th St.

Tulsa, Ok. 74145

Northeastern State University

## Summary

Emmy nominated, SPJ, and AP award-winning Director, Technical Director, Producer, Audio Mixer, Video Editor, Graphics Operator, Studio Camera Operator with 21 years of experience of live broadcast and performance as well as preproduction in a detail-oriented and time sensitive industry in which deadlines must be met and expectations exceeded. I produce, direct, and edit a public affairs show in which we have talked with Chuck Hoskin Jr, Green Country Habitat for Humanity, Wes Studi, Gilcrease Museum, Woolaroc, Philbrook, Jennifer Rogers, former Muskogee Mayor Marlon Coleman, Mike Melega of the Tulsa Drillers, and many more. I produce, direct, and edit a music performance show, featuring musicians from northeast Oklahoma. I also direct the live broadcast of basketball games for an NCAA Division II university.

## Skills

Coding for visual effects, audio cues, video playback, remote studio cameras, field reports

Directing live and pre-recorded broadcast

Video switching for live and pre-production
