

Locke Knight (He/Him)

(775) 835-2736 | lockehknight@gmail.com | account@wckdknight.com

PROFESSIONAL SUMMARY

My career history and varied interests reflect a strong background in creative leadership and storytelling and professional creative services with the flexibility to accept an array of responsibilities. I am currently pursuing a path in storytelling through visual mediums and I am seeking to continue my career in a creative industry in a leadership role whilst supporting my indigenous community.

AWARDS

Best Music - 48 Hour Film Project 2024

EXPERIENCE

WCKD MEDIA | Videographer/Photographer | Present

- WCKD Media is a multi-media agency. My responsibilities included offering full videography, photography, and social media services to a variety of brands including real-estate agencies such as Sotheby's, Chase, etc, fitness brands, gyms, influencers, and martial art promoters such as Rising Stars Muay Thai, WFC, Arena Wars, King of the Cage, etc.

Kill Crew Co. | Videographer | 2024

- Kill Crew is a fitness street clothing company. My primary responsibilities includes content production for the company social media platforms and website by creating and managing visual content including videography and photography.

Tribal Minds Inc. | Branding Project Manager | 2023

- Tribal Minds, Inc. is a Native American-led nonprofit serving Indigenous communities throughout Nevada and other territories. We work to advance the wellbeing of Indian Country through community development and Indigenous wellness projects. My primary role is to develop and provide creative solutions to indigenous owned businesses through project management by providing a step-by-step project outline whilst overseeing videography, photography, and other branding solutions such as social media management and web design to support the missions.

Native Knight | Brand Manager | 2023

- Native Knight is my own freelance businesses geared to providing indigenous owned brands with branding solutions to help grow and strengthen the community of indigenous brand owners. My primary responsibilities include providing videography, photography, and branding solutions such as web design and social media content and platform management. I also assume the administrative tasks of project management, scheduling, bookkeeping via QuickBooks, etc.
